

By participating in the RUDY Health Study, you will be helping to advance the understanding of rare conditions.

Before anybody can take part in medical research they need to give their *informed consent*. We ask you to visit our website [www.rudystudy.org](http://www.rudystudy.org) ; carefully read our information sheet, and then register on the website. See overleaf for details

The RUDY Study is open to those with rare disorders, as well as their blood relatives.

If you are under 16, you are welcome to register yourself on the RUDY website, but we will need to talk to your parents and get their consent before you can take part fully (see step 5a overleaf)

### Step 1:

To register as a participant go to [www.rudystudy.org](http://www.rudystudy.org) and click the green 'Sign up today' button.

### Step 2:

Register your details. If you are registering on behalf of your child, we will ask you to record first their details and then yours also.

### Step 4:

On the third registration page we will ask you if you have read the information sheet and if you have any questions at all.

### Step 3:

On the second registration page please select your diagnosis from the drop down lists available or enter it in the 'Other Diagnosis' box if it is not listed.

### Step 5a:

If you have questions, we will ask you to select some upcoming times for a telephone appointment to discuss the RUDY Study with a member of our team.

Choose date and time periods when you would like to receive your call  
Please select at least 3 different dates. If you have a preferred time/date please let us know in the comments box below.
